## New Trucore® Technology At Affordable Prices!

Now with Trucore® Technology from Rexton; our Premium (\$1,795), Better Plus (\$1,395) and Better (\$895) Hearing Instruments offer you even more features for our same low price! Trucore® Technology makes it easier to hear better in almost all hearing situations, Features include:

- **Voice Ranger** enhances speech in nearly every situation. Improved hearing in noisy environments, like restaurants and family gatherings, and reduces background noise.
- **Music Enhancer** provides exceptional sound quality for full listening enjoyment of music, at concerts or listening at home.
- **Tinnitus Function** contains a sound generator in addition to regular hearing instrument functions, which helps soften any unwanted noise and give some relief to Tinnitus sufferers.
- **Securtec™ IP67 Rated** technology makes these hearing instruments highly resistant to moisture, sweat and dirt.
- **Bluetooth Compatible** allows you to pair your hearing instruments with many Bluetooth compatible devices.
- **XPhone (Cross Phone)** simultaneously sends phone signals to both hearing instruments when the phone is held up to your ear for clear phone conversations.
- **Reverb Reducer** suppresses reverberation, echoes, voices and foot-steps in large areas for enhanced sound quality.
- **Three Performance Levels** assures seamless hearing as you change hearing environments
- **Multiple Programs** give versatility to these hearing instruments in almost any hearing environment.
- **App Compatible** with many of the new smartphone apps
