**INVISA-FIT Premium with Bluetooth® Technology**

Having trouble hearing conversations on the cell phone? The new Premium INVISA-FIT with Bluetooth® technology allows you to hear the following directly through your hearing aids:

- ◆ Cell Phone
- ◆ Television
- ◆ MP3
- ◆ Stereo

The Premium INVISA-FIT with Bluetooth® technology offers you superior sound with auto multi-channel mics, and rechargeable batteries. The open-fit design, with only a tiny receiver in your ear, gives you a very comfortable fit that's nearly invisible! Ask about the Premium INVISA-FIT with Bluetooth® technology and the complete line of INVISA-FIT digital open-fit hearing aids today.

**Take This Hearing Loss Quiz?**

1. Do you find it difficult to follow a conversation in a crowded room?
2. Do you frequently ask people to speak up or repeat themselves?
3. Do you find it difficult to hear when speaking on the phone or cell phone?
4. Do you turn the volume of the TV louder than others need?

Call the nearest Mid-America Hearing Center for your free professional hearing exam.
